**FOLLOW YOUR HEART TO THE END OF THE RAINBOW PART 3**

**Sunday, April 25, 2021 / 9:45am to 6:30pm**  
**In Person in Chappaqua, NY or Virtually via Zoom**

This class is open to all that have completed "The Magic of the 7th Ray" part 2 and higher. We will deepen our healing work which means continue to review the Rays and understand the nervous system before class. We will explore the Initiations. You will be able to determine which initiation you are at this moment and understand how the initiations and the RAYS that control them, affect all areas of your life. We will delve into practical applications, case studies, and esoteric significance of events and situations.

We will begin Cranial Neuroanatomy and treatments as well as the Motor and Emotional Brain. You will also learn how the permanent atoms, astrological influences, and certain ages are affected within the chakras. Two new powerful Mantras will be introduced, how to use them and how they can enhance your life. The Spiritual Masters will be our special guests. This class will be informative, educational, experiential, and fun. We will deepen our Spiritual understanding of life.

In preparation for this course, meditate daily at least two weeks prior to the class (that means align and attune daily in your life and with the group). Please work on yourself and at least one other person.
